NOTICE OF FILING AND HEARING

DOCKET NO. 2012-94-5

APPLICATION OF PALMETTO WASTEWATER RECLAMATION LLC d/b/a
ALPINE UTILITIES, INC. FOR ADJUSTMENT OF RATES AND CHARGES
FOR THE PROVISION OF SEWER SERVICE AND MODIFICATIONS TO CERTAIN TERMS AND CONDITIONS OF THE PROVISION OF ITS SERVICE

Palmetto Wastewater Reclamation LLC d/b/a Alpine Utilities, Inc. (the Company) has filed an Application with the Public Service Commission of South Carolina (the Commission) for an adjustment of the Company's rates and Carolina (the Commission) for an adjustment of the Company's rates and charges for the provision of sewer service and modifications to certain terms and conditions of the provision of its service. The Company is a public utility, as defined by S.C. Code Ann. § 58-5-10(4) (Supp. 2011), providing sewer service to the public for compensation in certain areas of South Carolina pursuant to rates approved by the Commission in Docket No. 2008-190-S.

Pursuant to S.C. Code Ann. § 58-5-240, the Company requests that the Commission approve an increase in its monthly sewer service rates and the adontion of certain other charges. In support of the several terms and the

Commission approve an increase in its monthly sewer service rates and the adoption of certain other charges. In support of its request for this increase, the Company asserts, among other things, that the proposed sewer rate increases are necessary in order that it may provide reasonable and adequate service to its customers, allow the Company to recover its incurred costs, comply with environmental regulations, and earn a reasonable return on its investment. The Company also asserts that the proposed sewer rate increase is necessary to preserve its financial integrity and to permit continued investment in and maintenance of its facilities so as to provide reliable and high quality services. Pursuant to S.C. Code Ann. Reg. 103-512.4.A, the Company also seeks modifications to certain terms and conditions of its rate schedule including the adoption of language pertaining to circumstances under which the Company the libit tenants for guage pertaining to circumstances under which the Company will bill tenants for guage pertanning to circumstances until whiter the Company who the tentains for service, the inclusion of fees and charges for opening customer accounts, late payments, disconnection notifications and service reconnections, and the incorporation of commercial customer service rates based upon a SCDHEC regulation setting single family equivalency ratings based upon hydraulic flow instead of blochemical oxygen demand as provided for in the current Company rate

THE PROPOSED CHANGES IN THE RATES AND CHARGES ARE SET FORTH BELOW

(The complete rate schedule is available from the Company at the address below and on the Commission's website at www.psc.sc.gov)
